Questions	Comments
What went well? Why?	- Nothing - huge learning experience - teachers were trained but workshop was not positive
What would you do differently?	- Lots! - make sure administrator is present, use routine in my class and present an example with content I'm comfortable with
What trends (positive/concerns) did your evaluation data reveal?	- Uncomfortable with routine - more time/coaching
What concerns were out of your control?	- NO administrator - Mandatory workshop - all very negative
What will you do in the future to avoid these problems?	- use routine w/my content
How can your mentor be of support to you?	- sounding board for all that went wrong - already done b/c she is awesome!
